JOHN B. PHILLIPS

Dear Mr. Block;

You were kind enough to give my wife your card and tell her about the cutaneous clinic during our recent visit for treatment of a melanoma.

I would like to highly praise our physician, Dr. Gerard Masiello, for his excellent handling of my case. He saved two-thirds of my ear when I was told by others that I would probably lose it completely. He exhibited the caring traits that you have hopes of receiving from all physicians.

The Moffitt center is fortunate to have someone of his ability as a representative who truly lives up to your stated mission "to contribute to the prevention and cure of cancer."

We have given a contribution to Moffitt in his name and will continue this annually from now on.

He saved my life!

Please share this with Dr. Masiello.

Thank you again.

Sincerely - John B. Phillips
